

PRESIDENT: Special order. Mr. Speaker, is it your understanding that we're going to lay over LB 273, the Sports Center? Alright. That has been a change in the agenda. We go now to number 7, special order A, LB 33, state aid to schools. One hour. That means until 12:30 approximately.

CLERK: Mr. President, LB 33 has been considered. The amendments offered by the introducer have been adopted. By Senator DeCamp have been adopted. There is presently pending an amendment offered by Senator Murphy and Senator Cullan. Senator Murphy's motion is pending, then Senator Cullan moves to amend the Murphy motion.

PRESIDENT: Would you read Senator Murphy's amendment and then Senator.... Are you withdrawing your amendment?

SENATOR CULLAN: Yes. Mr. President, now I'd like to withdraw my amendment to the Murphy amendment.

PRESIDENT: Senator Murphy, are you withdrawing yours also?

SENATOR MURPHY: No sir, Mr. Chairman. I have no intention of withdrawing.

PRESIDENT: Oh, alright. Then we're back on the Murphy amendment. Senator Koch.

SENATOR KOCH: Mr. President, members of the body. I rise to ask unanimous consent that this piece of legislation stay before this body for action today, notwithstanding the hour limitation. I feel that we have spent at least five hours discussion on this piece of legislation and for the good of the body and others who have legislation of equal import, that we stay with this piece of legislation until we move it off of General File.

PRESIDENT: Senator Frank Lewis.

SENATOR F. LEWIS: I have my button on to speak to the Murphy amendment.

PRESIDENT: That's what we're talking about.

SENATOR F. LEWIS: Mr. President, I rise to again oppose the Murphy amendment.

PRESIDENT: Wait, excuse me. I'm sorry. I did not hear Senator Koch's request. Mr. Speaker, Senator Koch has asked unanimous consent to stay on LB 33 until it is moved today. The Speaker should be consulted before I ask for unanimous consent.

SPEAKER LUEDTKE: Mr. President, I was not here. I don't know how close you are to getting to a decision on 33 today. If it is Senator Koch's opinion that we could move it today, I would certainly hope that we could just go ahead, if it's not going to take all the rest of the day. Now I would not want to go along with that because we've got to get on appropriations bills this afternoon, sometime.

PRESIDENT: Is there an objection to Senator Koch's request? I don't see one, so the Speaker's order is changed. We will stay on LB 33. The special order of one hour is voided. Now Senator Frank Lewis.
